

Merry
Christmas
&
happy
new year!

The text is written in a black, cursive, hand-drawn style. It is surrounded by various decorative elements: several five-pointed stars of different sizes, some with radiating lines to suggest sparkle; small, simple snowflake shapes; and two Christmas ornaments. One ornament on the left is a solid black circle with a white outline and a white loop at the top. The other ornament on the right is a white circle with a black outline, a black horizontal band across the middle, and a white loop at the top. The entire composition is set against a plain white background.
