

Ideas that protect the Earth are

necessary now more than ever before.

**edding return system –
for the world of tomorrow**

-  Please **return** any kind of **empty or old markers and writing instruments** in this box
-  The collected markers are **recycled** and the re-granulate contributes to the material which among others is used **for the production of our EcoLine products**
-  Please send the **full box** back - **we will take care of the postage**
